

## Breeder's Cup

The purpose of the Breeder's Cup is to:

- encourage the breeder to produce versatile Greater Swiss Mountain Dogs and to promote
- quality breeding practices
- encourage the breeder to protect and maintain the health of the Greater Swiss Mountain
- Dog breed.
- encourage the breeder to protect the interests of the breed, the interest of the GSMDCA,
- and to promote good sportsmanship.
- recognize the breeder with the most achievements within the calendar year

The Breeder's Cup is awarded to the breeder that accumulates the most points in the categories listed below

To achieve this award, breeders must complete a minimum of one achievement within the calendar year in the following categories:

- Conformation
- Performance
- Health
- Working
- GSMDCA Support

Eligibility for the award:

- Breeder must be a Member of the GSMDCA in good standing. In the event of co-breeding,
- the breeders decide which breeder gets credit for the points. In the event that two
- breeders cannot decide, points will be split evenly between the co-breeders.
- Titles and Achievements must be earned within a Calendar year
- Points are earned by dogs bred by the breeder, regardless of ownership
- Breeder must submit the designated form to receive a Breeder's Achievement Award.

Eligible points for each category:

Conformation Points (Maximum of 20 conformation points counted per dog)

- AKC CH = 5 points
- CH in Foreign country (other than USA)= 3 points
