FRIEND OF THE SWISSY

MARTH TUBMAN

We would like to nominate Martha Tubman DVM for the 2021 Friend of the Swissy award. Martha has been a great addition to the GSMDCA. She has always been very willing to share her expertise with our members. She writes a column for the Senn "Ask the Vet" where she explains in terms that we can all understand some of the health issues that the breed faces. She is a member of the Health Committee and has been very involved in the Genetic Diversity project as well as the P2Y12 research at Cornell.

Martha contributes this and more to the GSMDCA while working full time at a Veterinary Emergency Clinic. She also participates wither Swissys Poppy, Toddy, Betsy and Rosie in conformation, agility, obedience, FastCat, Barn Hunt, Farm Dog and other fun activities. She is the rarest of treasures these days, a Breeder/Vet.

In appreciation for all that she does for the club and the dogs we are proud to nominate her for this award.

Sincerely,
The Members of the C&P GSMD Club

EXEMPLARY JUNIOR

ASHLEY BARRON

AKC Junior Handler: 97941585006

I would like to nominate Ashley Barron for the GSMDCA Exemplary Junior Award for 2021. Ashley graduated high school in June of 2021. She is an active 4-H member and carries numerous projects from dogs to photography and everything in between. Ashley is even the president of her local dog 4-H club. As if all of that does not keep her busy enough, she is a Volunteer Fire Fighter and is taking classes to be an EMT. She also has 3 jobs, yet still finds the time to train her dogs, attend nose work and handling classes, and attend dog shows.

Ashley is actively involved in several dog sports and has put numerous titles on multiple swissys in rally, CGC, trick dog, agility capability testing, Fast CAT, weight pull, and AKC conformation. Ashley now has a swissy puppy she has been working with and when her puppy is old enough she plans to compete and get titles in all of the different activities that are offered for all breeds, as well as those that are swissy specific (weight pull, drafting, pack hiking, etc).

Ashley mentors other juniors and introduces them to other junior handlers that she knows so they feel welcome.

Additionally, in 2021, Ashley won Best Junior handler at the National and Independent Specialties. She won one Best Junior and one Reserve Best Junior at competitive all-breed shows with her swissy.

2021 was Ashley's last year as a junior handler. Let's honor that last year by awarding her the GSMDCA Exemplary Junior Award.

AKC OUTSTANDING SPORTSMANSHIP AWARD

KELLY LOVLEY

Most everyone around the country that participates in AKC and GSMDCA events with their swissy is familiar with Kelly. She has worn so many hats and I have never known her to shy away from a project...her response usually is "that's easy!" She has helped facilitate many activities for GSMDs and their owners while acting as draft judge, weight pull judge, pack hike coordinator, and currently in the process of becoming a barn hunt judge, etc and although those are important, I want to address her work within the realm of AKC activities since it's specific to this awards.

Kelly tirelessly has hosted numerous AKC obedience and rally trials at her house and has been in charge of all the details at some point from creating premiums, hiring judges, ordering ribbons, setting up courses, and much more. The hours spent for these types of events are ample and she continues to do it over and over again.

She is a member of her local Pioneer Valley all-breed kennel club where she happily stewards and helps set up for the show servicing those in the fancy in her area.

Kelly has given the judge's education seminar many times at all-breed AKC shows, presented at the AKC National Championship, and at numerous National Specialties.

She is passionate about GSMDs participating in herding and was instrumental in helping the GSMDCA obtain their AKC herding license. In 2021 she purchased goats and kept sheep on her property and dog broke them for the AKC herding trial taking place at the National to make sure we had appropriate stock comfortable around GSMDs.

She's also a friendly face to many regional GSMD clubs and other breed clubs acting as Farm Dog evaluator.

And for the second time she serves as our Awards Chair and Versatility Chair...she really stepped up and helped us fill this void when the sitting chair resigned (all while co-chairing the 201 National in Massachusetts). The Awards Chair is HUGE undertaking and requires hours and hours tracking down call names, issuing certificates, calculating year end rankings for obedience and rally, creating the quarterly awards report for the E-SENN, and making the annual awards program for the National.

I'm sure there is more that can be said, but I would be surprised if each and every one of you haven't had some experience with her that would also validate her as an incredible resource to our breed community.

Respectfully,
Allison Allen

Ollie strongly demonstrates how extremely versatile she is holding titles in 10 different categories, including, Conformation, Obedience, Rally, Agility, Herding, Barn Hunt, Lure Coursing, Drafting, Fast Cat and Weight Pull. In addition, she holds certificates in Canine Good Citizen, Trick Dog, Farm Dog and herding. And she holds multiple advanced titles in many of the categories;

and has ranked in multiple sports in a year. In 2017, she finished as the #2 Swissy in Agility, #1 Swissy in Fast Cat; and #2 in Open Obedience. She also earned the "Achiever Dog" title from the AKC. In 2018, she finished as the #2 Agility Swissy, the #1 Preferred Agility Swissy and #2 at FastCat with only 1 run. In 2019 & 2020, she was the #1 Preferred Agility Swissy.

In the past, Ollie competed in the 2014 National Specialty earning qualifying legs in Rally, Obedience, Drafting and Weight Pull. This earned her a Triathlete Ribbon which only 3 swissy's earned in it's first year offered, in a group of 25+. But, not to be out done with all her athleticism, she also proved to meet the breed standard in conformation competitions. She won with 3 majors, one of which came from a Specialty Weekend where she beat out 25+ bitches to take the 5-point major. Her offspring, Lollypop, won the Best Puppy at the 2014 National too.

The Swissy is an alert, strong, athletic dog and Ollie has, and continues, to exemplify the breed description with her many talents. Her athleticism shows in her speed at which she runs in agility, earning multiple #1 placements in Breed Power 10 Rankings, and actually never placing lower than #1 in speed. During the 2017 Agility Invitational, her cumulative time on 4 runs was 33.81 seconds faster than the second fastest swissy. A very impressive feat, especially at the age of 7.

After reviewing these attributes, I hope you can see how versatile and well-rounded Ollie is, and that she would be able to perform multiple tasks in a farm setting.

Please nominate Ollie for the Ambassador of the Breed Award with her strong backing of Versatility the breed represents.

Thank you,

Tracy Brainard
