Register of Merit

A ROM is earned for progeny that receive an AKC Championship. A Sire must produce 10 champions and a Dam must produce 5 champions.

Legion of Merit

Awarded to Sires that have produced 3 ROM offspring and Dams that have produced 2 ROM offspring.

Versatility Greater Swiss

The versatility award was created to recognize those Greater Swiss Mountain Dogs who show great breadth of achievement. One of the primary goals of this award is to encourage all Swissy breeders and owners to preserve the Swissy as an "all around" dog with a long tradition as a multi-use farm dog as well as a beautiful show dog. A VGS title is earned upon completion of the CD title, plus 3 other GSMDCA accepted titles, including those in the areas of Draft Dog, Pack Dog, Working Weight Dog, Agility, Herding, Conformation.

Versatility Greater Swiss Excellent

The Versatility Greater Swiss Excellent title is awarded to dogs already having the VGS title whose advanced achievements have been recognized with an AKC Companion Dog Excellent obedience title, and 2 other GSMDCA accepted advanced level titles from different categories of performance events.

Draft Dog

Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Greater Swiss Mountain Dogs in a working capacity. The Greater Swiss Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Dogs must be willing to work with their handlers and the exercises must be accomplished efficiently. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence. To earn a GSMDCA draft dog title, your swissy must earn a passing score in all elements of the draft test. A NDD title

is earned at the Novice (on-leash) level, and a DD title is earned at the Open (off-leash) level. Master level titles are earned by repeatedly qualifying at the Open level.

Pack Dog

Earning a Pack Dog title requires the dog to carry a percentage of its weight on a 5, 8 or 10-mile hikes on separate occasions (legs). At the Novice (NWPD) level the dog carries 20% of its weight for 4 legs. At the WPD level, the dog carries 20% for 5 legs or 30% for 4 legs. The Working Pack Dog Excellent title (WPDX) is earned when the dog carries 20% for 10 legs or 30% for 8 legs.

Weight Pull

Dogs compete to see who can pull the most weight 16 feet. The handler has no contact with the dog during the pull, so it is up to the dog's willingness to pull. To earn a GSMDCA Working Weight Dog title, your Swissy must successfully pull the following weight at 4 separate qualified events: WWD – 10 times their body weight; WWDX – 15 times their body weight; WWDS – 20 times their body weight (only 3 times); ACE – Dogs must have completed the 3 titles (WWD, WWDX, and WWDS) then accumulate 100 points to earn the ACE title.

Agility

Agility is a sport in which a dog runs through a timed obstacle course under the guidance of the handler. Each run is timed and scored with the goal of completing the course with the highest score possible. To acquire an Agility title, a dog must earn 3 qualifying scores per class level under at least two different judges.

Conformation

Dog shows (conformation events) are intended to evaluate breeding stock. Judges examine the dogs and place them in accordance to how close each dog compares with the judge's mental image of the "perfect" dog as described in the breed's official standard. These standards include qualifications for structure, temperament and movement. In short, they describe the characteristics that allow the breed to perform the function for which it was bred. Most show dogs are competing for points toward their championship. To become an official AKC champion of record, a dog must earn a total of 15 points, which includes 2 major wins under 2 different judges.

Obedience

Obedience Trials test a dog's ability to perform a prescribed set of exercises on which it is scored. Dogs and handlers compete against a standard of perfection, rather than against each other. To earn a qualifying score (leg), the team must score more than 50% of the possible points in each exercise, and earn a total score of at least 170 out of a possible 200 points. An obedience title is earned with 3 qualifying scores (legs).

The first level, Novice, results in your dog earning a Companion Dog (CD) title. The dog will have to heel both on and off leash at different speeds, come when called, stay (still and quietly) when told, and stand for a simple physical exam.

The second level, Open, results in your dog earning a Companion Dog Excellent (CDX) title. He must do many of the same exercises as in Novice, but off-leash and for longer periods. Additionally, there are jumping and retrieving tasks.

The highest level, Utility, results in your dog earning a Utility Dog (UD) title. This level involves scent work, directed retrieving and hand signals.

Rally

Rally is a sport in which the dog and handler complete a course that has been designed by the rally judge. The judge tells the handler to begin, and the dog and handler proceed at their own pace through a course of designated stations (10 - 20, depending on the level). Each of these stations has a sign providing instructions regarding the next skill that is to be performed. Scoring is not as rigorous as traditional obedience. To qualify, dog and handler must receive a minimum score of 70 points out of a possible perfect score of 100. A rally title is earned when three qualifying scores have been earned under at least two different judges.

Tracking

Tracking Tests allow dogs to demonstrate their natural ability to recognize and follow human scent. A dog only needs to complete one track successfully to earn each title. A dog earns a title by following a track with changes of direction and changes of terrain at advanced levels. The track is laid by a human tracklayer and is "aged" before the dog begins scenting. The goal is to use the scented track to locate an article left at the end of the trail by the

tracklayer. The owner, who doesn't know where the track goes, follows the dog on a long leash and can encourage the dog during the test.

Herding

To earn a herding title, the dog must demonstrate its ability to collect and control stock, put stock in motion, move the stock in straight lines and turns, negotiate obstacles, drive the stock through gate and into the pen and come to a reliable stop at the pen. The dog must work at the direction of the handler, even at a great distance and among the distraction of the stock.

The owner-handled award was created to recognize the owner of a Greater Swiss Mountain Dog that is handled for all 15 points to its championship by the registered owner of record. Breeders must be the only owner of a dog in order to be eligible. Professional handlers are eligible for this award only if they are the sole registered owner on the dog. If a professional handler is a co-owner on the dog, the nonprofessional co-owner must be the one that handled the dog for all 15 points to the championship. Paperwork for the owner handled champions is the responsibility of the owner to send to the GSMDCA Statistician by March 1st of the following year.

Top Producer of Champions

Top Producer of Working Titles

Awarded to the Sire and Dam producing the most working titled offspring (or get) within the Calendar year. Multiple titles per get are counted, if there is a tie in the number of titles earned by get, the number of get with working titles is the tie-breaker.

Rankings

Conformation Rankings

Top Ten All-Breed statistics are based on dogs defeated in Best of Breed and Group competition. AKC TopDogs reports for the previous calendar year are the source for the All-Breed rankings.

Top Ten Breed statistics are based on dogs defeated in Best of Breed competition. AKC TopDogs reports for the previous calendar year are the source for the Breed rankings.

Obedience Rankings

Ranking Lists are based on data obtained from the AKC. The top 5 scoring dogs will be identified in Novice A, Open A&B, and Utility A&B. For dogs earning a title in any given year, an average score based on the first three qualifying scores associated with earning the CD, CDX or UD titles will be used. For dogs that have already earned the CD, CDX, or UD title, an average score will be based on the total number of qualifying scores in that class earned subsequent to the title during a given year, with a minimum requirement of 3 qualifying scores required.
