

GREATER SWISS MOUNTAIN DOG CLUB OF AMERICA

National Futurity and Maturity Stake Rules

I. PURPOSE

The purpose of the GSMD Futurity and Maturity is to encourage the breeding of the best possible Greater Swiss Mountain Dogs and to reward breeders for their efforts. In nominating a litter for the Futurity and Maturity, GSMDCA member breeders are casting their vote of confidence in their breeding decisions and indicating their commitment to improving the quality of the GSMD. The Maturity Stakes not only provide Futurity-nominated puppies with an additional opportunity to compete, but also gives those unable to participate in a Futurity the chance to compete in Maturity during the next National Specialty. The Futurity and Maturity Stakes prizes are weighted towards the breeder. Recognition is also given to the owners in whose hands lies the responsibility of developing the inherited potential of the individual puppy. In addition, the sire is recognized for his genetic contribution.

II. GENERAL

- A. Correct and timely nominations of both the litter and the individual puppy are required for stakes eligibility.
- B. Prize moneys can only be won through competition at the GSMDCA National Futurity or Maturity Stakes.
- C. National Futurity or Maturity Stakes can only be held in conjunction with the GSMDCA National Specialty.
- D. Nominations may be made online at www.gsmdca.org or by downloading the form (see Attachment A) on the website and mailing it along with payment to the Futurity/Maturity Chair.
- E. Futurity and Maturity judging will not be held on the same day as Sweepstakes judging.

III. NOMINATION OF LITTER

- A. Nomination of the litter must be made by the breeder or co-breeder, who must be a member in good standing of the GSMDCA at the time of nomination, and at least a twelve month period immediately preceding the date of the nomination. The nominator, if living, must also be a GSMDCA member at the time of the Stake judging; if not the litter will be considered ineligible.
- B. Nominations should be made online through the GSMDCA website, (or, if needed by printing the nomination form and mailing it directly to the Futurity/Maturity Chair). Nomination of a litter is made by accurately completing the online registration form and making payment through the payment link. (Alternatively, the registration form may be printed, completed and mailed with payment of the fee by check made payable to the GSMDCA Futurity/Maturity Stakes.)
- C. Nomination must be made after breeding, and by the time the litter turns three (3) weeks of age (no later than three weeks from whelp date). The postmark on the entry envelope or date online registration is received is the official date of nomination.
- D. The fee to nominate the litter is \$25.00. Of the nomination fee \$15.00 will go to Futurity nomination and \$10.00 will go to the Maturity nomination. There will be no refunds. Increases in the litter nomination fee can be made by a majority vote of the GSMDCA Board of Directors.

- E. Nomination fees cannot be transferred from one litter to another.
- F. The nomination of a litter makes all puppies in the litter eligible for individual nomination in both Futurity and Maturity.

IV. NOMINATION OF PUPPY

- A. Nomination of an eligible puppy must be made by the legal owner or co-owner of the puppy as of the date of the puppy's nomination. The puppy owner or co-owner need not be a member of the GSMDCA. The nomination shall include the identifying information for the puppy including registered name and individual AKC number.
- B. Nomination must be made before the puppy reaches four (4) months of age. The date of online nomination and payment (or, the postmark on the envelope with printed nomination and fee) is the official date of nomination.

If neither litter registration number or individual registration number is available at the time of puppy nomination, this must be supplied as soon as available and in no case later than four (4) weeks before the Futurity stakes judging. Failure to comply with this requirement will result in disqualification of the puppy concerned.
